HIDDEN BRAIN℠

Host Shankar Vedantam

Why do we do what we do?

Hidden Brain helps curious people understand the world —and themselves. Using science and storytelling, *Hidden Brain* reveals the unconscious patterns that drive human behavior, the biases that shape our choices, and the triggers that direct the course of our relationships.

Millions of people have heard Shankar Vedantam's engaging reports on social science research on NPR shows like *Morning Edition* and his top podcast *Hidden Brain*. Shankar now brings his signature knowledge, wit, and sense of humor to this new one-hour weekly program,

Listen to *Hidden Brain* Sundays, at 1:00 p.m., on WPSU-FM.

Reveal

CIR PRX

Host Al Letson

Truth still matters.

Reveal is a weekly, Peabody and DuPont-award-winning program from the Center for Investigative Reporting and PRX.

The one-hour show is focused on original, investigative reporting covering one major subject from different angles; sometimes devoting the full show to one investigation.

Reveal's award-winning journalists hold the powerful accountable and reveal government fraud and waste of taxpayer funds, human rights violations, environmental degradation and threats to public safety. We consistently shine a bright light on injustice and protect the most vulnerable in our society.

Listen to *Reveal* Sundays, at 4:00 p.m., on WPSU-FM.
