The State College area can feel transient. Students leave, but so do established professionals. WPSU-FM will profile a range of locals about why they stay and why they sometimes consider leaving, through stories on the radio and online.

Is high turnover an inevitability of a college town? Can anything be done to keep young professionals? Weigh in on your reasons for staying or share pictures of your reasons, on the interactive website at [wpsu.org/reasonstostay](http://wpsu.org/reasonstostay).
