

## Hands On

Zeke the Wombat wants you to bake a cake! Work with a grown up to figure out the steps to bake a cake and act them out! You can also draw out the steps to create a recipe for a friend!

Here are some ideas to get you started:

- Get a bowl
- Turn on the oven
- Crack the eggs
- Get oven mitts on

Malik, Zadie, and Zeke learn that they need to get ready in a certain order. As they get dressed for the beach, they realize that putting on a bathing suit is hard if you do it after putting on flip-flops and floaties!

Ask your child to think about the routine they watched in the “Snout and About” episode.

# Ask

**What do you do when the job seems too big?** How does that make you feel?

When you break the job into smaller steps first, does that help? How do you feel then?

## Break It Down

In every job little jobs can be found!

That's the best part of breaking it down!

Solve the little jobs one by one.

And you'll get the big one done.

Break it down!

Break it down!

Keep tinkering around and around!

Don't forget when you feel stuck,

Try something new, don't wait for luck!
